UNCLASSIFIED	127TH OSS/OSA Airfield Management Operations	QRC # 16

ANTI-HIJACKING

Note: Refer all questions to public affairs. Do not disclose information related to aircraft mishaps/incidents. Personnel will not discuss the incident beyond what is necessary to accomplish duties.

MISSION: Stop the launch of hijacked aircraft.

CHECKLIST OPENED – DATE: _____ TIME: _____Z INITIALS: _____

____1. Check resources to confirm possible hijacking: Flight Plans, Flying Schedules, Traffic Log, CP, and the MOCCs to ensure they are not conducting engine runs or tow operations on the aircraft.

____2. Using the Secondary Crash Net Checklist obtain as much information as possible and initiate the SCN forwarding, verbatim all information received. (If notification was not received from Tower, notify them)

PCAS ACTIVATION TIME: _____Z BY: _____ Hijacked Aircrafts Squawk

SCN ACTIVATION TIME: _____Z BY: _____ ☐ 7500 Hijacked or ☐ 7700 Requesting armed intervention

____3. Initiate other QRC's/checklists which apply to the emergency.

____4. Respond to the on-scene command center and provide assistance.

4.1. If capable, establish communications with the aircrew/pilot. If pilot uses code words "Flaps full down" or attaches the word "Trip" to their call sign, these are positive signals for a hijacking situation.

4.2. Aid the Incident Commander in establishing a blocking force for aircraft and ensuring personnel then abandon their vehicles.

____5. Issue NOTAMs for closed surfaces and runway suspensions that last longer than 1 hour.

____6. If aircraft doors are Closed, aircraft is considered "In-Flight" – have ATC relay all information to the FAA. If aircraft doors are Open, aircraft is "On-Ground" – have SFS contact the FBI to respond to scene.

____7. Contact the AFM / DAFM or AMOM and brief on the situation and all actions taken.
DO NOT release any information outside of the SCN or your chain of command.
Refer all inquiries to the 127TH Wing Public Affairs x5576 (Ex. 7)

____8. Activate SCN with termination of emergency.

PCAS TIME: _____Z BY: _____ SCN TIME: _____Z BY: _____

____9. Cancel NOTAMs and close other QRCs as applicable.

____10. Log all actions/events on AF Form 3616.

CHECKLIST CLOSED – DATE:_____ TIME:_____ Z INITIALS:_____
